Student Learning Outcomes

College:  Art + Architecture
Department:  Art History
Degree Program:  Bachelor of Fine Arts in Art

1) Students will demonstrate the ability to research and develop interdependent formal and conceptual relationships in a body of BFA level studio work.

2) Students will demonstrate the ability to create a digital portfolio presentation, showing technical proficiency at organizing, documenting and labeling their artwork.

3) Students will demonstrate the ability to speak effectively about an arts related topic while using digital presentation tools.

4) Students will demonstrate the ability to write effectively about connections in their individual studio practice to a larger context of other artwork and ideas.

5) Students will select work that demonstrates formal and conceptual potential to advance in a BFA studio art concentration.

6) Students will demonstrate the ability to create a digital portfolio presentation, showing technical proficiency at organizing, documenting and labeling their artwork.
