

PROGRAM SUMMARY

- **Credit Hours:** 120 hours
- **Concentrations:** [optional] Cell Biology/Physiology; Ecology/Environmental Biology; Microbiology
- **Declaring the Major:** Minimum Overall GPA and Biology GPA of 2.0 required; change of major form accepted year-round. Must be currently enrolled in or have completed BIOL 2120 or BIOL 2130, co-enrolled in CHEM 1251 and CHEM 1251L with minimum grades of C. Students with prior credit earned at UNC Charlotte must have a minimum overall and BIOL GPA of 2.0.
- **Advising (For the Major):** Handled by Department of Biological Sciences Advisor assigned upon admission to major. Required with less than 60 earned credit hours, for all students with GPA below 2.0, for 90 credit hour degree check, recommended each semester.
- **Advising (For General Education):** Handled by Department of Biological Sciences Advisor assigned upon admission to major.
- **Minimum Grades/GPA:** After twice receiving a grade below C in any of the following courses, BIOL 2120, 2130 and 2140L, a student cannot enroll in the course again. A student who has two successive semesters with a cumulative GPA in Biology of less than 2.0 is ineligible for continuation in bachelor degree programs in Biology. Major and overall GPA of 2.0 required for graduation.
- **Teacher Licensure:** Yes
- **Evening Classes Available:** No
- **Weekend Classes Available:** No
- **Other Information:** Biology minor, Biotechnology minor, Undergraduate Research, Field Courses, Departmental Honors, Beta Beta Beta National Honor Society, Early Entry Master's degrees
- **Contact(s):** Undergraduate Coordinator, email: biooffice@uncc.edu

PROGRAM REQUIREMENTS

The B.S. requires a total of 44 hours of Biology courses, including 5 laboratory courses at the 3000 or 4000 level, as well as 27 additional credits in Physics, Chemistry, and Mathematics. The B.S. is a relatively structured program recommended for students planning a career in an area of the Biological Sciences; in particular, those planning to attend professional school or graduate school for a Master's or Ph.D. degree.

Areas	Credit Hours	Description
Pre-Major/Prerequisites	0	Enrollment in BIOL 2120 or BIOL 2130, co-enrollment in CHEM 1251 + L. Continuing students must have a C or better for all courses and a minimum combined GPA of 2.0. Students may not repeat these Biology courses more than twice or these Chemistry courses more than three times.
Major	44	Required courses in the major will count towards university General Education requirements for Social Sciences, Natural Sciences, Oral Communications and Writing Intensive requirement.
General Education (not satisfied by other major requirements)	27-30	Hours do not include those requirements that are satisfied within the major. Transfer students with an associate's degree are exempt from most General Education, but must complete Writing Intensive requirement within the major.
Related Work	27	Completion of CHEM 1251, 1251L, 1252, 1252L, 2131, 2131L, 2132, and 2132L, PHYS 1101, 1101L, 1102, and 1102L, and MATH 1120 or 1241
Foreign Language	0-8	Foreign Language proficiency through 1202 is required either by proficiency testing (no credit hours awarded), 3 years of a foreign language in high school (no credit hours awarded), or 1201/1202 course completion. If no credit hours are awarded, these credit hours will need to be accounted for through elective coursework.
Electives	11-22	As needed to complete 120 hours total.
Total Credit Hours	120	

SUGGESTED PLAN OF STUDY

Freshman Year

Course Number	Course Title	Credit Hours	General Education	W/O Course	Notes
<i>Fall Semester</i>					
UWRT 1101	Writing and Inquiry in Academic Contexts I	3	X		
MATH 1100	College Algebra and Probability	3	X		
LBST 11XX	LBST 1100 Series: Arts and Society	3	X		
BIOL 2120	General Biology I	3			
CHEM 1251	Principles of Chemistry I	3	X		
CHEM 1251L	Principles of Chemistry I Laboratory	1	X
