PROGRAM REQUIREMENTS

Relatively flexible curriculum: A major in English leading to the B.A. degree consists of 36 semester hours of coursework beyond the General Education requirements. Students may also elect a Concentration from one of four areas: Creative Writing; Language and Digital Technology; Literature and Culture; or Pedagogy. A GPA of 2.0 or above in all English courses above the 1000-level is required for graduation (see Concentration in Pedagogy for Teacher Licensure GPA requirements). English Majors not electing a specific Concentration must complete two designated courses from each of the following areas: Creative Writing; Language and Digital Technology; Literature and Culture. At a minimum, majors must complete 36 credit hours in English, including 12 credit hours at the 4000-level. No more than 12 credit hours in ENGL at the 2000-level may be counted toward the major. At least 3 credit hours are required in a departmentally designated “D” (Diversity) course. The English major also requires completion of COMM 1101; competency in a foreign language at the intermediate level, certified either through placement exam or coursework (2000-level); and either a minor established at UNC Charlotte or an individually designed course of study consisting of a minimum of 18 semester hours in coursework selected from English and/or other departments, approved by the Department of English advisor and undergraduate coordinator. Students with a second major in another department will be considered to have satisfied the minor requirement.

Areas	Credit Hours	Description

Related Work	-	
Foreign Language	0-4	One course at the 2000 (intermediate) level (can be satisfied with a placement test).
Electives	37-45	As needed to complete 120 hours total. Students in English must complete a minor/self-directed course of study/second major. Students pursuing teacher licensure (Minor in Secondary Education) apply elective hours as shown below.
