PROGRAM REQUIREMENTS

Entering students are designated as Pre-Business (PBUS). Once students have attained certain course requirements during the Junior year (see above), they may officially declare a major program in the Belk College. To declare a major, students will complete a Curriculum Guide and Change of Major form with their assigned Academic and Career Coach.

The International Business (IBUS) major is a very structured program of courses that are completed in the junior and senior years after admission to the major.

Foreign Language. Students must demonstrate competency in a second language up to the 3202 level. This includes two courses at the elementary level and four above the elementary level, for a total of six language courses (of which two courses must be at the advanced grammar level of 3201 or above).

Study Abroad (3 hours). This requirement may be satisfied by participating in an approved Study Abroad program outside of the U.S. and Canada during the Fall, Spring, or Summer semester for a minimum period of three weeks, while completing at least three credit hours of coursework. Students should plan to complete the Study Abroad experience no later than second semester of junior year; students cannot study abroad and graduate in the same semester.
