

Student Learning Outcomes

College: Computing and Informatics

Department: Bioinformatics and Genomics

Degree Program: PhD in Bioinformatics and Computational Biology

- 1) Students will be able to demonstrate the following ranges of knowledge:
Molecular Sequence Analysis, Structural Bioinformatics, and Bioinformatics Methods
- 2) Students will be able to demonstrate independent research conclusions and outcomes.
- 3) Students will be able to demonstrate effective writing skills.
- 4) Students will be able to demonstrate effective oral communication skills.
